LEADING Main Board-listed property developer BOLTON Bhd (Bolton) recently organised a movie fundraiser and managed to raise RM42,945 to aid Pusat Penjagaan Kanak-kanak Cacat Taman Megah (PPKKCTM) in achieving its target of RM4.2mil to build a one-stop centre.

Bolton organised a charity movie screening of *Prince of Persia: The Sands of Time* at Golden Screen Cinemas Tropicana City Mall on June 5 which received encouraging response from its staff, business associates and customers.

The movie tickets were sold at RM150 each and ticket holders were given a 'thank you' gift for their generosity.

In his welcoming speech, Bolton executive director Chan Wing Kwong reaffirmed the company's commitment of incorporating Corporate Social Responsibility initiatives as part of its corporate culture.

"We are guided not only by the imperative to grow our business operations but also strive towards creating a better environment for the local communities in which we operate in.

"The challenging economic situation today makes it even more important than ever before for everyone to do their part to help the underprivileged," he elaborated.

He also extended his appreciation to all those who contributed during the event.

"As Bolton undertakes various activities in support of the underprivileged community every year, I would like to say thank you to those who took the time to make it for the movie and join us in bringing cheer to the children of Pusat Penjagaan Kanak-kanak Cacat Taman Megah.

"We look forward to your continuing support of our future CSR activities," he added.

At the cheque presentation ceremony before the start of the movie, Chan presented a mock cheque for RM42,600 to PPKCTM representative Manimegalai @ Raj.

The children from PPKCTM also received goodie bags and essential items from Bolton.

After the movie, about 15 children from PPKCTM and 10 Bolton employees were treated to a hearty lunch sponsored by Bolton.
