BOLTON'S SECOND MOVIE FUNDRAISING EVENT RAISES RM21,100.00 FOR CHARITY

Penang, 17 July 2010 – Leading Main Board-listed property developer BOLTON Berhad (BOLTON) organised its second movie fundraising charity event for the year and managed to raise another RM21,100.00, bringing the total donations raised for the year to RM63,700.00.

The latest fundraising movie event was held in Penang in aid of a local handicapped home named SIMA Handicapped Centre. All proceeds from the movie tickets sold were duly channelled directly to SIMA to help them meet the centre's monthly operational expenditure in order for it to run smoothly. The charity movie screening of *Despicable Me* was organised at Golden Screen Cinemas, Gurney Plaza and the event received heartening response from BOLTON's staff, business associates and honoured customers. Movie tickets were sold at RM100 each and the charitable ticket holders were each given a colourful *Surin* "thank you" gift as appreciation.

The first movie fundraising charity event was held at Golden Screen Cinemas, Tropicana City Mall in Petaling Jaya last month and the event successfully raised RM42,600.00 for a home which cares for young disabled children in Selangor.

BOLTON Executive Director Chan Wing Kwong said: "It has always been the company's philosophy that Corporate Social Responsibility plays an integral role in BOLTON's corporate culture and such movie fundraising charity events will be an annual initiative for the group."

"BOLTON is not only guided by the imperative to grow their business operations but to also create a better environment for the local communities that they operate in. Hence, it is even more important than ever before for everyone to do their part in helping the underprivileged community," he added.

At the cheque presentation ceremony which took place before the start of the movie, BOLTON representatives from its Sales & Marketing Department Foo Yeok Kheong and Farah Alia Abu Bakar presented a mock cheque of RM20,900.00 to William Ch'ng, the representative of SIMA Handicapped Centre.

About Bolton Berhad:

Bolton has been delivering properties since 1964, making it one of the oldest and most established property developers in Malaysia. Our developments across seven states in Malaysia ranges from *Taman Midah*, the pioneer township development in Cheras to *The Tijani*, a more recent upmarket development in Kenny Hills, Bolton has built a solid reputation of quality across its range of residential, retail, industrial and commercial properties.

We recently embarked on our first development in Penang, *The Surin* luxury condominium development in Tanjung Bungah, providing residents with unparalleled vistas of the sea. Soon, we will unveil a block of luxury serviced residences on Jalan Bukit Ceylon, a cluster of residential high-rise units in the exclusive Bukit Tunku area in Kuala Lumpur and 51 Gurney - Malaysia's first and only super luxurious condominium that comes complete with a spacious driveway on every floor and a car port within every unit.

Our brand promise - *Better Living by Design* - is a reflection of our proven commitment to deliver homes and commercial properties that meets our customers' needs for lifestyle, functionality, security and comfort; offering the best in class quality and outstanding value as well as reflecting the latest trend in style and design.

About SIMA Handicapped Centre:

Founded with a vision to provide an environment for the development centre for the disabled, the mission of the centre is to take positive steps to empower the disabled through practical teachings where the disabled will be equipped with:-

1. Basic living and social skills
2. Job skills in line with their capabilities to cope with the need of the current market job demands

SIMA is a self funded centre for the betterment of young disabled children, for their difficulties to be recognised and for them to be given equal status in the society. SIMA currently runs a home for children of all races from all over Penang state.

About 40 of these residents are disabled with various disabilities such as Down's syndrome, autism, hyper activity, physical challenges, intellectual disabilities as well as speech, audio and visual impairments.
